

POST FACT. POST TRUTH

Wait a minute....

Did you know that we have a leader who ...

... Has visited 14 military camps in just a month, including installations that no sitting president has ever laid eyes before. He also visited military hospitals and has invited wounded soldiers for a dinner get together in Malacanang. He was also able to conduct an actual command conference in Basilan.

...

...Has initiated peace talks with the left with the hope on ending a long standing armed struggle. Established goodwill by freeing prominent leftists leaders. Also pursuing peace talks with muslim secessionists.

...Has managed to negotiate for the release of foreigners held hostage by armed bandits in the south.

... Has handled a terrorist crisis well (Davao bombing) managing to immediately restore normalcy, personally visiting the dead and comforting the injured, and enabled the authorities to immediately track down the perpetrators. After which, he also managed to direct an all out offensive against the armed terrorists

...Has visited Batanes after a typhoon, and even if Batanes is governed by a prominent clan opposed to him.

... Has visited China, Japan, Indonesia, Brunei, Vietnam and attended an ASEAN Summit in Laos. Note the significance of giving priority to Asian neighbors. In China alone, he obtained commitment on investments and loans worth a combined \$24Billion.

... in between two foreign trips, went to visit another typhoon ravaged area (Cagayan), on a Sunday when most people are resting...

... Has opened Malacanang to leftists, the first time ever said group was able to set foot in the palace.

...Has been mentioned or is a frequent topic of conversation now across the globe so much so that he and our country were even mentioned in a campaign rally by one of two presidential candidates in the US of A.

...Has managed to significantly improve airport and airline services, and got rid of the "tanim bala" scam by a simple directive.

...Has managed to improve LRT MRT services, including operation of basic but convenient facilities like escalators and elevators.

...Has managed to launch a nationwide emergency response system 911, and a nationwide government complaint center 8888 in just his first month in office.

... Has required the entire government to eliminate long lines or queue by ordinary people, and also simplify government transactions. For instance, drivers license are now valid for 5 years while passports will be valid for 10 years. Meanwhile, all permits and licenses and documents like NSO certificates, Seamans' book should be released in 3 days.

...Has managed to sign an FOI for the executive branch of government, the only chief executive to do so.

... Has managed to significantly improve disaster preparedness and relief operations plus proper use and spend of government resources.

...Has managed to adopt changes in the agricultural sector to enable the country to be self reliant in food production and distribution. Most importantly, he ordered the DA to implement FREE IRRIGATION nationwide.

...Has paved the way to genuine land reform as well as directing the release of coco levy funds to the real beneficiaries.

... Has directed the adoption of responsible mining, and ordered DENR to comprehensively review all mining permits and impose sanctions to erring mining companies.

...Has directed the repatriation of stranded OFWs and personally welcoming them at the airport.

...Has managed to open one-stop-shops for OFW requirements for ease of transactions. Also ordered that balikbayan boxes worth less than P10,000 should be tax-free.

...Has ordered the discontinuance of ENDO for more than 10,000 affected workers.

...Has directed PAGCOR not renew licenses of online gambling and re-allocate its funds to be used to improve health services and education.

... Has managed to sneak in and around Metro Manila and personally put to task mayors who have been sleeping on the job. This is not being mentioned officially, and there will be a denial if there will be those who will try to confirm. Exhibit A: Divisoria Exhibit B: Alabang Exhibit C: Pasig
