

**TANJAY ASSOCIATION, USA**  
PROUDLY ANNOUNCES  
**THE LAUNCHING OF FALANG MANAPOL'S BOOK**

*For Visitors To Manila*

*by Perla Limbaga Manapol*

**LANZONES** is a tongue-in-cheek "guide" to first-time visitors to Manila, based on the author's experiences with her U.S. and European clients who want to do business in the Philippines. Also included are her impressions as a Fil-American/Balikbayan who goes *bakamport* between the two motherlands, and two "tall tales" about her escapades in the U.S. Foreign Service.

Advance reviews call the book "full of wit and humor from cover to cover," and "a testament to the Pinoys' ability to laugh at themselves." (Sa ato pa, ning-guwa jud ang pagka-Tanjayanon!)

Falang has promised to donate a percentage of the proceeds of book sales to the Association - pagka-human niya ug bayad sa iyang arrears sa membership fees ug ni-aning full-page announcement! (Ning sa-ad pud siya nga wala kono'y extra charge ang special autographed copy.)

The book will be available Stateside in late September. For more information on ordering your copies (note that it is PLURAL), contact our Association.
